

OPEN YOUR TEEN'S *FIRST* CHECKING ACCOUNT

Help them take their first steps...again!

You helped your children take their first baby steps. Now that they're teens, it's time to help them take their first financial steps! Set your teen up for a bright future with an AEFCU checking account*.

Uniquely designed for teenagers age 14-17 years, you and your teen will enjoy:

- Ability to monitor account and transactions 24/7
- No monthly account fee
- No minimum balance requirement
- VISA® debit card
- Access to better rates and fewer fees than other for-profit financial institutions
- Easy to use mobile app with mobile deposit
- Establishment of a life-long relationship with a more local organization offering live human support when they want or need it!

PLUS, when you open your teen's first checking account, we'll make the initial \$5.00 deposit into their share savings account (required for membership) to kickstart their savings goals!

**Help them take their first financial steps.
Open your teen's first checking account today!**

*Only for age appropriate teenagers 14 – 17 years old. Adult joint account owner required.

All accounts, fees, and charges subject to change.

View the official Rate & Fee Schedule at www.alconefcu.org for current information.
